INDEPENDENT AUDITOR'S REVIEW REPORT ON THE QUARTERLY AND NINE MONTHS UNAUDITED FINANCIAL RESULTS OF THE COMPANY PURSUANT TO REGULATION 52 OF SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015, AS AMENDED

Review Report to
The Board of Directors of
M/s. Shreshta Infra Projects Private Limited

We have reviewed the accompanying statement of unaudited financial results of Shreshta Infra Projects Private Limited for the Quarter and Nine Months ended 31st December 2024.

- 1. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
- 2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with the Circular including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter:

4. We draw attention to the fact that the Books of Account of the Company are maintained in an ERP software system which had crashed during the period under review. Subsequently, the data has been restored from system backups and our review has been conducted based on the information made available from the restored data and subsequent updates made thereon. Our conclusion is not modified in respect of this matter
